

If you choose to install this WAAREE Energies Ltd. application (the “App”) and by using WAAREE Energies Ltd. software products and services (“WAAREE Energies Ltd. Products”), you will be agreeing to abide by all of the terms and conditions of this Privacy Policy between you (“you” or “your”) and WAAREE Energies Ltd. (“WAAREE Energies Ltd.”, “us” or “we”). WAAREE Energies Ltd. strives to continuously develop innovative services to better serve the users of our technology. We recognize that privacy is an important issue, so we design and operate our services with the protection of your privacy in mind. This Privacy Policy outlines the types of personal information we gather when you use WAAREE Energies Ltd. services or otherwise install the App, as well as some of the steps we take to safeguard it. The following principles apply to the personal information we ask for and that you provide to identify yourself. This information includes your name, your email address, and your phone number and is further through this document referred to as “personal identifying information”.

### **Data collection**

- Browsing the public area of WAAREE Energies Ltd. application does not require personal identifying information.
- WAAREE Energies Ltd. collects limited non-personal identifying information your phone makes available whenever you install application. This log information includes your Internet Protocol address, phone type and language, the date and time of your query and one or more cookies that may uniquely identify your phone. We use this information to operate, develop and improve our services.
- The access to some of our services requires you registering for an account. To create this account, WAAREE Energies Ltd. asks you for personal information (typically your name, email address and phone number) and this information is used to provide the service. We may use such personal information to notify or contact you about new WAAREE Energies Ltd. Products that may be of interest to you.
- When we ask for personal identifying information, we will inform you about the types of information we collect and how we use it. We hope this will help you make an informed decision about sharing your personal information with us.

- WAAREE Energies Ltd. may use analytics tool providers in order to develop and analyze use of some WAAREE Energies Ltd. Products. The data collected by the analytics providers will be used according to their respective privacy policies. In such event, WAAREE Energies Ltd. will inform you in a proper and timely manner of (i) the type of data collected, (ii) the applicable conditions and protection rules, and (iii) the opt-out process applying to the data collected.

### **Declaration numbers**

The collection of these data has been declared and registered in the database of the French Commission for the Protection of Personal Data (CNIL), under numbers 1522148 v0 and 1581786 v0.

### **Sharing of information**

WAAREE Energies Ltd. does not rent or sell your personal identifying information to other companies or individuals, unless you give your consent. WAAREE Energies Ltd. may share such information in any of the following limited circumstances:

1. With your consent.
2. For the sole purpose of processing personal identifying information on our behalf by a trusted third party. After processing, the information is subject to agreements that oblige these parties to process information only on WAAREE Energies Ltd. instructions and in compliance with this Privacy Policy and appropriate confidentiality and security measures.
3. If WAAREE Energies Ltd. considers that it is required by law or has good reason to believe that access, preservation or disclosure of this information is reasonably necessary to protect the rights, property or safety of WAAREE Energies Ltd., its users or the public.
4. If you have an account, we may share the information submitted through your account with all of our services in order to provide you with a seamless experience and to improve the quality of our services. We will not disclose your account information to other people or non-affiliated companies, except in the limited circumstances described in this Policy or with your consent.

5. We may store and process personal information collected on our app in India or any other country in which WAAREE Energies Ltd. or its agents maintain facilities. By using our services, you consent to the transfer of your information among these facilities, including those located outside your country.

6. In the event of a transfer of ownership of WAAREE Energies Ltd., such as acquisition by or merger with another company, we will provide notice before any personal identifying information is transferred and becomes subject to a different privacy policy.

7. WAAREE Energies Ltd. may share aggregated information with third parties. Examples include the number of users located in India or how many users clicked on a particular section of the app.

## **Information Security**

WAAREE Energies Ltd. takes appropriate security measures to protect against unauthorized access to or unauthorized alteration, disclosure or destruction of data. WAAREE Energies Ltd. restricts access to your personal identifying information to employees who need this information in order to operate, develop or improve our services.
