

CERTIFICATE OF GOOD PERFORMANCE

To whom it may concern:

We ONLINE POWER CARE LIMITED, GUJARAT, confirm that, we have deal with WAAREE Energies Pvt. Ltd. And Mr. Ketan Vora (your marketing person) since April-2009. During that period your company and Mr. Ketan provide us very good support. They motivate us to purchase WAAREE brand solar module. Even last year our Chairmen Mr. Piyush Patel from N.J. (USA) visited your Suart factory personally and they are satisfied with your factory people also. And after visiting the factory they deciode to purchase WAAREE PANLE for our Dwarka Temple Project.

After installation of your panel at Shri Dwarkadhis Temple, we are again very happy to see your panel's performance.

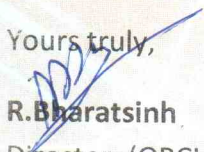

So, we are very much satisfied with your company's overall performance and hope for that type of good cooperation in future.

Just now we get the 500 solar street light orders from Ahmedabad, and we have already order for that and your good company starts supply for that.

So, again we are requesting you for remain good attitude forever with customers like us.
