CERTIFICATION OF GOOD PERFORMANCE

To whom it may concern

This is to certify that we have dealt with Felicioni Energy ., during the installation of 1.300 (thousandthree hundred)KWp roof top. The company has provided with excellent services as regards to the complete installation and the technical support. We are also satisfied with the quality of WAAREE 230 Wp modules used in the installation.

Details of the project are mention below:

Name & Location of Project:

Penta Gruppo

64020 Castelnuovo V. di Castellalto (TE) Zona Ind.Le via Tevere

www.pentagrupo.it

Capacity of Project: 1 x 195kwp, 1 x 120kwp, 1x 998kwp

Technology Used: Poly Crystalline

Modules : WAAREE 230Wp

The complete plant is performing satisfactorily since the date of commissioning of the project.

Yours Faithfully,

Francesco Felicione

CEO & CFO
