

Sassari, 01/07/2011

To Whom it may concern,

This is to certify that Waaree Energies Pvt. Ltd. photovoltaic modules that we purchased in August 2010 and installed on our warehouse roof in December 2010 are performing satisfactorily. We would like to acknowledge Waaree's good support and service for supplying of 230wp solar modules (740KW).

We highly recommend Waaree modules.

Yours truly,

Sider Net S.p.A.
